A cartoon illustration featuring two characters. On the left, a small, yellow, fish-like character with large eyes and a blue collar is looking up at a speech bubble containing a question mark. On the right, a large, orange, bearded character with a wide, toothy grin and large, pink-rimmed eyes is looking down at the smaller character. A speech bubble from the orange character reads "CUT FEET OUT! THAT'S BET!". The background is a solid purple color.
